

Occult Medicine & Practical Magic

Samael Aun Weor, founder of the International Gnostic Movement and author of sixty books, lived for many years in close contact with the mysterious natives of the Sierra Nevada of South America. He and his wife Litelantes compiled and verified the knowledge they had been given by the Priests and Doctors of that region, and supplemented it with their own Initiatic wisdom, resulting in this book Occult Medicine and Practical Magic. Herein one finds many explanations of the medical knowledge preserved by the Lamas of Tibet and the Mamas of the Sierra Nevada, demonstrating with undeniable force the limitations of modern medicine and indicating the way to return to ancient medical wisdom. This work features treatments for an incredible variety of illnesses and conditions, such as cancer, asthma, the common cold, and leprosy.
