

Baby and Child Questions and Answers

Why is breastfeeding best for my baby? How can I cope with sleepless nights? Why is my child wetting the bed? However many children you've had, it's always good to have access to sympathetic guidance from someone who understands your concerns and can provide reassuring answers to questions. From a GP and mother of three, Dr Carol Cooper provides: realistic solutions to everyday problems on every aspect of baby and childcare, for children aged 0-5 - from feeding and sleeping to toddler tantrums and coping with childhood ailments. Keep it handy, so there's always somewhere to turn when you have a question.
