

Family Crafting: Fun Projects to Do Together

You already know the practical and creative rewards of crafting--but did you realize that arts and crafts can also build family togetherness? So, get out the scissors, paper, paints, stamps, glue, and ribbon, because Carol Scheffler, contributor to NBC's TODAY SHOW, has some of the most fantastic ideas ever for getting everyone involved making great crafts and great times. Watch with pleasure as children happily join you in creating holiday jewelry, including a Valentine charm bracelet with matching earrings; a frame made out of a CD case; fun toys like a slinky, slithery stuffed snake; a woven harvest basket; and so many other wonderful, colorful projects. The result: unforgettable family memories and activities that nurture kids imagination! A Main Selection of BOMCs Book Club.
