

Dragon Knights, Vol. 6

Rune journeys to the Faerie Forest to investigate reports of its demise at the hands of the demons. On his way, he partners up with a mysterious drifter in love with Faeries and a little girl being hunted by the Yokai. However, things are not as they appear. The little girl possesses a power beyond anything Dusis has ever known, and good spirits turn bad as the forces of darkness continue their quest to take over the Forest. Only Rune and the mysterious drifter can save the Faeries from extermination. Meanwhile, Lykouleon embarks on another diplomatic mission to appeal for help from surrounding lands, but he ends up discovering a plague that's been set loose upon the population by evil forces.
