

Golf Swing Tips: Simple Techniques to Drive the Ball for Distance and Accuracy

Love to golf but hate your score? Frustrated by the lack of distance on your drives? Do you tend to slice the ball more often than not? The game of golf is more than just hitting the tiny white ball. There are a lot of things that need to happen to make the ball go where you want it to. Golf Swing Tips is the solution to your golf game woes. Golf enthusiast and physical education instructor, Larry Duncan, has written this no fluff book focused on improving your swing to improve your game. Making simple changes to your stance, your grip, how you position your feet, and which iron you use can dramatically improve your swing. A better swing means a better score which leads to the game of golf becoming less frustrating and more enjoyable. Techniques you'll learn include:

- o Choosing the right golf ball can improve your game
- o Which iron will improve your swing
- o How your stance affects your swing
- o How to perfect your swing
- o Power Driving and Distance
- o How to stop slicing the ball

The information in Golf Swing Tips is easy to follow and easy to implement into your next round of golf.
