

The Creative Writing Workbook Create and Develop the Writer Within

The Creative Writing Workbook: Create and Develop the Writer Within looks at the creative writing process. Using examples from the writer's own work, there are exercises and questions to help you break through writer's block and get on with being the writer you want to be. Explore your own creativity with free writing and journaling. Questions will help you to develop a piece of writing and then to polish it. There is some information and suggestions on publishing, whether through traditional routes or the exciting new route of Kindle indie publishing. Stop procrastinating and develop the writer within you now so that you can see your work in print and make money from your writing.
