

Breastfeeding and the Working Mother

Based on the experiences of working mothers, as well as the latest research of lactation experts, *Breastfeeding and the Working Mother Revised Edition*, provides hundreds of practical tips for every conceivable job situation, from the executive suite to the coal mine. It addresses full-time and part-time work, travel, meetings, bringing the baby to the job, nursing clothes, and nursing equipment. More than a collection of tips and first-person anecdotes on dealing with work situations, *Breastfeeding and the Working Mother, Revised Edition*, is also a complete guide to breastfeeding basics. In addition, it provides a groundbreaking section on legal rights, describing landmark cases and outlining in detail what steps women can take to assure their right to breastfeed and work.
