

# Fall of Cthulhu Omnibus (Fall of Cthulhu Vol. 1: The Fugue)

WHY BOOM! LOVES IT: Michael Alan Nelson has written some of the books we are proudest of: HEXED, 28 DAYS LATER, DAY MEN, and more. FALL OF CTHULHU was his first epic for BOOM! and were reprinting it all in one grand volume! WHY YOU'LL LOVE IT: Do you like Cthulhu stories? Nelson's epic was hailed by Leverage creator John Rogers as the definitive Cthulhu in graphic novel format. Never before has H.P. Lovecraft's world been presented in such an expansive and complex way. WHAT IT'S ABOUT: When Nyarlathotep, the crawling chaos himself, devises his most destructive plan yet, a disparate group of humans find themselves brought together as the unavoidable apocalypse draws near.
