

No-One Likes Us, We Dont Care: True Stories from Millwall, Britains Most Notorious Football Hooligans

Author Andrew Woods has come face-to-face with Millwalls most famous firm and now, for the first time, the Bushwackers reveal all about their bloodiest battles and fiercest rivalries in their own words. But among the camaraderie, the battle of wits with the police, and the exhilarating toe-to-toe run ins with the opposition, this book also examines the history of hooliganism and why measures brought in to combat violence have failed. Packed with hilarious characters, shocking tales, and plenty of excitement, no stone is left unturned in this journey into the dark side of football. With stories from the 1960s to the present day including the infamous Luton riot of 1985, the Mad Season of 2001-02, and the ongoing war with West Hams ICF, No-one Likes Us, We Dont Care is the ultimate collection of tales from the terraces.
