

Activities for Babies - When toys are not enough

I am very excited to tell you about my latest e-Book Activities for Babies - When toys are not enough. For Babies 6-12 months. With a son of my own I know what it is like when toys just do not provide enough stimulation, learning and development. This is why I have created this e-Book, listing games and activities using every day household items. Not only is it a useful guide but will also inspire you to create your own games for your baby. Not only will boredom be thrown out the door but the activities will provide a range of benefits for you and your baby. Be sure to provide your review and let your friends know about this great ebook. I hope you enjoy spending time with your baby with the activities expressed in this e-Book.
