

# Boston and the Bean

Bean is a Mormon cricket who lives in Small Oasis, a small town growing just off the main highway in the hot Sonoran desert. He is very desert savvy, and known by most of the town and surrounding area as the best friend anybody could ever hope for. Boston is a camel cricket that has traveled from the wet jungles of southeast Asia, across the ocean and ends up in the town of Small Oasis. He has never lived in a desert, but as luck has it, he bumps into Bean and a great friendship is born. Join the two crickets as their friendship and adventures takes them through daily life, from inside garbage cans to the beautiful water hole just out side of town. Fun and danger is an everyday event in the desert, but one thing is certain, whether fun or danger, you want Bean as your friend.
