

# Candid Classroom: What Parents Want To Know and Teachers Want To Tell Them

Candid Classroom is a behind-the-scenes look at the world beyond the classroom door. It is an honest, often humorous peek at those things not typically covered during parent-teacher conferences. Its what teachers desperately want to sit down and discuss with parents over coffee; the things we tell our own sisters and friends as they send their little ones off to kindergarten. You'll find insight into everything from the true nature of bullying, to the value of encouraging independence, and it will become your trusted companion as you watch your children learn and grow throughout their education. Candid Classroom is a real conversation about the things teachers wish parents knew, and answers the questions so many parents have.
