This is not your mothers vampire book! TWIST: NOT TEXTING WHILE I STALK THEM is a romantic vampire legal thriller with a twist! You cant make someone love you; you can only stalk them and hope for the best! High school senior Riley and her friends love all of the vampire movies and books, and when they hear that self-proclaimed vampires are actually protesting Breaking Dawn II in Galveston, they cant pass up an opportunity to stalk the real life vampires--with hilarious and dangerous consequences. The chase is on, and only when Riley runs out of gas on a remote nude beach does she finally come face-to-face with Desmond, the totally hot leader of the vampires. He appears to want to help her but has an agenda all his own. Riley quickly discovers that Desmond, his bullied vampire brother Gavin, and their vampire friends are tired of the limelight, false stereotypes, discrimination, and battles with the ATF and FBI. All they want is equal rights and freedom just like everyone else. Riley is dying to help the alluring Desmond in his legal fight for vampire equality, only to discover that the real battle of life and death reaches far beyond any courtroom. She learns the hard way that falling in love with a vampire can sometimes come back to bite you. Do you love texting? A version of this novel written completely in text (txt) is now available!
