

# Please, Somebody Love Me!: Surviving Abuse and Becoming Whole

In Please Somebody Love Me, you will read of the ultimate test of forgiveness. As a child Jillian suffered severe abuse, and neglect, which made her unsure when at eight she found that family who truly loved her, and wanted her, a family who she could call her own, and who loved her, they wanted her, but she wouldn't let herself get too close, because she was afraid of neglect, of rejection, and that fear led her down a dark path once again. As she grew in to her teenage and young adult years she made many poor decisions, decisions that nearly made her take her own life, but her parents were there for her, and eventually she gave her life to the Lord, and after a while, she was able to give her life to the Lord, and forgive those who did those terrible things to her, because Jesus had died for her sins, she could forgive those who hurt her. This is a truly inspiring story.
