

So What is Citizenship Anyway? (Students Guide to American Civics)

A Students Guide to American Civics -- The four books in this series offer important answers to the basic questions about living in America and being a U.S. citizen. Profiling one civics concept in each volume, the books provide up-to-date information concerning real issues that affect each of us daily. Being a citizen is more complex than students may realize. This book explores important citizenship rights and duties, such as voting, government protection, and naturalization.
