

# Just Another Race Horse

Its how you start out and how you end up but never about getting off track, just how fast you get back on! Sonny is JUST ANOTHER RACE HORSE with a story to tell that will open a well of emotion in your soul and melt your heart as you read each endearing page of his young life! Sonny's first memory is of being born and seeing the warmth and love in his mother's eyes as she sees her newborn son for the first time. In the beginning, life is good. Sonny grows into a handsome, sleek thoroughbred, wrapped in a blanket of love and approval trusting the good of the world that surrounds him. It isn't long, however, before he realizes life is about to throw him moldy carrots! The day he was taken from his home, from his mother, is the scariest day of his life. Everyone and everything is new. Herded into a huge horse trailer with other horses, he's taken to a strange place. Everyone makes sure he's fed well and groomed well, but for the first time in his life he's yelled at for being playful, then sold at auction into the new and dangerous world of thoroughbred racing! JUST ANOTHER RACE HORSE is the poignant story of a thoroughbred raised all his young life to be a race horse complete with all the brutality of his training while immersed in the seedy side of horse racing! Through it all, Sonny keeps his positive attitude, but how can he ever know that winning has a very nasty side losing and you're only as good as your next race! Get your copy today and join Sonny in this winning memoir that stamps him as a king among princes and not JUST ANOTHER RACE HORSE!
