

365 Affirmations for the Writer

Writing is a journey. Every time we sit down to begin a piece or write the first chapter or the first line we are venturing into uncharted territory. 365 Affirmations for the Writer is about listening to those who have gone before us and letting them guide us with their insight, their own trials. By reading what others have said, we can survey the path before us, count the cost, and plunge ahead.
