

Hygiene in Mexico: A Study of Sanitary and Educational Problems (Classic Reprint)

Excerpt from Hygiene in Mexico: A Study of Sanitary and Educational Problems Since the sole purpose of the Author of this work was to expose one of the least known, most nefarious and shameful inheritances of the past, in order that it may be uprooted with the most intense energy of which Government, as well as Society in general, is capable, the gross proceeds of the sale of the Spanish edition were placed at the disposal of the Peoples University of Mexico, in order to further its beneficial labors in favor of our less cultured classes, and especially to promote the teachings of Hygiene:About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
