

How to WIN Customers and Influence Sales

How to Use Online Customer Attraction Methods to Grow Your Small Business. This is a powerful list of online methods that your small business can use to not only get new customers but also get the customers you do have to use your services over and over again. All you need is a computer and an internet connection to get started. While using all of these methods would attract a great amount of new business, the best way to do it would be to implement just one or a few at a time. Then track the return on investment you get from each and either drop it if it isn't working, or expand it and try a new one as you get time or resources to implement them. With the economy still in a recession and not showing any signs of getting better anytime soon, each new customer, as well as your existing customers, are becoming more valuable each and every day. This book will tell you how to use the internet and your computer to get and retain those very valuable assets.
