

Discovering Natural Horsemanship: A Beginners Odyssey

Tom Moates life and work were on a horseless path until serendipity brought Niji, a sorrel gelding, into his life. In his candid and plainspoken style, Moates shares the honest highs and lows of starting out in the Better Way with horses. He works hard to follow the wise ways of many well-known clinicians and shares his personal experiences attempting to implement them. Discovering Natural Horsemanship is sometimes humorous, often inspiring, and always resonates with authenticity.
