USMC Marine Corps Institute

Kindle edition of USMC MCI ORM 1-0: Operational Risk Management. This essential text describes methods of assessing risk and managing controls to operate effectively in hazardous environments. Although formatted for military use, this excellent text is of benefit to everyone in their daily lives, but especially when dealing with emergencies and disasters. [i.e. Do I really need to get up on the roof? What can I do to reduce my risk while Im up there?] This book is published by Moderate Risk Books in their effort to help make Kindles into better emergency management and disaster recovery tools.
