Sometimes a guys future is so bright that hes blind to the misery all around him. Josh Baker is the fastest runner in the state. He has the perfect girl. Great friends. A guaranteed scholarship to the college of his choosing. But in one moment on a snowy night in the tiny Up North town of Cherry Hill, its all lost. And a two minute journey through the afterlife reveals that his life is not as perfect as hed led himself to believe. When he returns to the living, he must repair the damage hed unwittingly done to those he loves most. Now I Knew You will leave you looking at those you love in a different light. Their light. Youll understand the true meaning of tenderness, compassion, and forgiveness. But most of all, you will learn to truly see. I have never enjoyed a book this much! - Haddies Haven Book Review This book is full of lovable, believable characters that I absolutely adored. Author Garek Rohan When Josh figures out the pain he has caused, the depth of his love and sorrow and his actions are incredibly tender and beautiful. Highly recommended for both teen boys and girls. Jeanette, Librarian This book is my new summer obsession! Wattpad reader
