I dont love you anymore. These simple words have the power to send the listener into shock, denial, and desperation. The obvious response is to ask oneself, What can I do to win my partner back? In I Dont Love You Anymore, Dr. David Clarke provides just the battle plan needed. Contrary to what many relationship experts recommend-weak, passive plans that involve begging or romancing a spouse back-Clarke offers an approach that he calls guerilla love, which essentially turns the tables on the wandering spouse. He outlines the biblical view of marriage and instructs readers on: Drawing healthy boundaries. Five things he really means when he says, I dont love you anymore. The most popular exit lies and how to see through them. Classic symptoms of a person who is having an affair. Most important, Clarke empowers and equips readers to make the best, most God-honoring, attempt at saving a marriage.
