

Along the Way to Happily-Ever-After. . . : A Humorous Guide to Weathering the Newlywed Years and Creating a Happy and Lasting Marriage (The Finding Happily-Ever-After Series)

You've said, I do, and you are married! So, what's next, and where's happily-ever-after? T.N. Carpenter's humorous tall tales and personal short stories about marriage will prepare you for the better, the worse, and the inevitably crazy times you and your spouse might experience along the way to happily-ever-after. With advice and exercises such as: A Starter Recipe for a Happy and Lasting Marriage; The Collective Bargaining Process for Household Chores; and The Parental Time-Sharing Plan for Married, Adult Children, you and your loved one can learn to compromise and live in harmony. You will learn to fight monotony with exercises such as Five Steps to Re-Ignite that Spark and Marital CPR. Also, you can remain committed to your marriage after a dose of Ointment for the Seven-Year Itch. And, you can maintain a healthy and conflict-free marriage if you enforce policies such as The Right to Remain Silent and The Marital Don't Ask, Don't Tell Policy. This book shows you that when there are ups and downs along the way to happily-ever-after, sometimes you just have to be creative and have a sense of humor. T.N. Carpenter's serio-comic account of her first years of marriage illustrates how despite all the challenges that married couples can experience, it is possible to still remain in love and committed to your marriage. And, it is even possible to find happily-ever-after!
