

Insurance Billing for CAM Providers: A Survival Guide for Alternative Health Practitioners

Every complimentary and alternative medicine provider should have this book. It will help you create a simple and effective billing system that will keep you sane and increase your bottom line! This book is written specifically for acupuncturists, massage therapists and naturopaths. Empower yourself and your practice by being educated about this increasingly important aspect of being a CAM provider. With respect for our environment, this book has been printed on 100% recycled paper with soy ink. The publisher also offers 2 C.E. credits for acupuncturists reading this book that are California and NCCAOM-approved.
