

Demon Diary, Book 3

Eclipse reminisces about the past...Raenef's guild leader was captured by the city guards. Raenef was about to be killed by one of the guards because Raenef. Eclipse was watching from afar and noted that either Raenef would die if he was mortal or Raenef would live because he was a demon lord. The guard was about to strike Raenef with a sword but, all of a sudden, his forearm exploded off his body. This proved to Eclipse that Raenef was truly a demon lord; for Raenef's demon lord powers had exploded the guard's arm (although Raenef had no idea that he had done that). Eclipse appeared before the guards and Raenef, and had the guild members released. Eclipse told Raenef that he is a demon lord and that Raenef should go with him. Raenef agreed because there would be plenty of food and because he would never have to steal again. A sage informed the feudal lord (Leeche's father) that he needs to send a bride to the demon lord (Raenef), to appease his wrath (the demon lord being displeased had scorched the lord's land). Leech goes to Raenef's castle, in place of the bride to be sacrificed, to kill the demon lord who had killed her mother. Leech finds out that Raenef wasn't the one who killed her mother; however, Raenef still apologizes to Leech. Leech's father arrives at Raenef's castle to fetch his daughter, and brings along the real bride and other treasures. Eclipse tells Leech's father to take back Leech and the bride because Raenef is still a young boy. Leech leaves, after kissing Raenef, that she will return in 10 years to become his real bride. Leech warns Raenef not to take other brides or he'll pay for it! Eclipse goes to see Hejem. Eclipse is irritated that Hejem had dumped Chris on him. Hejem explains how he came to meet Chris. Chris was the only survivor after his village was attacked by demons. Hejem could sense that the god Rasaed was with Chris. Hejem announces that Chris will be his successor and will eventually

become the head of the Temple of Rasaed. Later, Rasaed appears before Hejem and says the world of the demons is changing and so is the entire world. Rasaed also says that Chris will play an integral role in the change. Rasaed tells Hejem that Chris is a precious jewel to him and to take good care of him. In order to release the pain of his mothers death, Rasaed erases Chris memory. Chris wakes up with no memory of who he is but he does know one thing, he hates demons. As Chris grows and learns, he continues to spend all his time focused on destroying demons. Hejem loves Chris beyond measure but also knows that Chris needs to broaden his views. Eclipse agrees to take Chris in for a short time but doesnt guarantee that Chris will learn anything. At the end of the book, a demon lord arrives at Raenefs castle.
