Still, even if its petty, shes determined to make sure Jared gets a good look at what hes missing. Jared has troubles of his own. Of course, he has to deal with Emily believing he had an affair, but more pressing issues are afoot. He didnt kill Argo after all, and the Evil Death Stalker is out for revenge! How can Emily get over Jared? How can Jared convince her she doesnt have to? How in the world can they complete their quest and what can they do about an entire pack of werewolves intent of harming them at every turn? EMILY TRANSFORMED is the tenth chapter of the exciting new series EMILY AND THE WOLF from Northern Starlight Young Adult Press and continues the story of Emily and Jared that began in the collection of stories JAREDS QUEST and with the stories EMILYS TORMENT, EMILYS PATIENT, EMILYS BOYFRIEND, and EMILYS CONFLICT. Its the final chapter of book two, EMILYS BATTLES. Can an average teen girl help a young werewolf gain control of the demon within him? And if he cant keep his animal under control, how can either of them be safe? And why are there so many strange things happening that make Emily think plenty of people would rather he never got a handle on his condition? Northern Starlight Young Adult Press presents the finest in young adult fiction. Here is a preview: He shivered at the thought of her being with someone else, but he knew he had to let go. He moved out towards the river and the evening ambience of Paris. He made his way back to Heran, no place for any fear now. This trial was just beginning. Jared was amongst an ocean of tourists as he moved through the shopping district. Street performers were wowing the crowds and the smell of food floated through the air. He could see a

young girl, maybe eighteen or nineteen years old, wobbling around outside the theatre; she had obviously been to see a show and consumed a little too much bubbly. They always threw cheap alcohol at the guests in these places. Jared smiled to himself, girls could be trouble sometimes. It wasn't until he saw her bending down to a car window that he knew she could really be in trouble, if she took a lift from these strangers. She was giggling and barely able to keep her balance on the car's open window frame. The rear door opened and she began to climb in. As Jared moved closer he realised that the driver of the car, was someone he knew well. As the car spun off, Argo smiled sweetly towards Jared. He accelerated at a ridiculously high speed and Jared began to chase them. It was a setup he knew, to lure him in. Argo was angry and he wanted revenge. This poor innocent girl was to be murdered and Jared had to act quickly.
