

Three Doors: Young Adult Short Stories

Step through the doors of three teenage girls eyes as they journey the minefields of young identity. Spoken from each girls mouth in three diverse stories, these tales explore the poignant adolescent experience often hidden beneath silent smiles. In *The Purple Box*, high-schooler Karah seeks fulfillment beyond her parents wealth when she sets out to answer a lifelong question about where she fits into the world. For 17-year-old Amanda, her deep desire to be loved leads her to a rapturous discovery that suddenly turns bizarre in *Hollow Crush*. When a depressed 14-year-old named Blue stumbles upon a strange new friend in a cafe, she doesnt realize that shes just had an encounter that will change her life forever as a *Diamond in Waiting*. Written with emotional insight and honest tenderness, *Three Doors* weaves the aches of teenagehood into moving stories that prove the worst years are often filled with defining lessons that lead to a better future.
