

Smart Listening for Couples

Most couples know that listening to and talking with each other is important to a healthy and happy marriage. What many do not know, however, is how to converse on an intimate level or how to keep the lines of communication open when conflicts arise. These are the issues Nancy Van Pelt addresses with clarity and detail in *Smart Listening for Couples*. In this book, readers will discover facts they never knew about themselves, their spouse, and the intricacies of communication, including: differences between his and her talk and fighting styles the art of listening through nonverbals creative questioning the fabulous four-minute formula for marital bonding how to get the not-so-verbal person talking Previously published as *How to Talk So Your Mate Will Listen and Listen So Your Mate Will Talk*, Van Pelts practical and fact-filled guide will strengthen marriages as couples learn to excel in the art of communication.
