

Self-Publishing Paperbacks: plus E-books on Kindle and Smashwords

A guide to self-publishing books in both paperback and e-book format. The publishing industry is changing and the number of Indie authors is increasing at a rapid rate. If you've written a book and you are being ignored by the traditional publishing houses and agents, this book will show you how to go it alone. This book explains about self-publishing and shows the reader how easy it is to get a book into the global market place and at zero cost.
