

Holy Matrimony: Now That We're Married

The 21st century has ushered in some extreme, strange, and disturbing beliefs about marriage. We're living in a day and time where the definition and purpose of marriage is being challenged, and in some areas of our country changed to meet the desires of our society. Laws have been passed in some states that sanction same sex marriage, men marrying men, and women marrying women. Men and women marrying animals may be just around the corner. Marriage is under attack from the outside as well as the inside. Husbands and wives are trying to manage their marriage, while society is trying to re-define and re-shape marriage at the same time. We've been blinded by the enemy, unable to see the spiritual warfare launched on the marriage which is wounding families, resulting in serious casualties. However, all is not lost if we look to God's Word, embrace His principles, and apply them to our marriage and daily living. Holy Matrimony: Now That We're Married is a great resource for couples who want to better manage their marriage. It's also a tool for marriage counselors, therapists, and the clergy to use in marriage counseling. In this book DeBorrah K. Ogans addresses the following subjects: Chapter 1 - Marriage Whose idea is it anyway? Chapter 2 - Why should I submit to you? Chapter 3 - Why don't you listen? Chapter 4 - That's your responsibility Chapter 5 - What about sex and intimacy? Chapter 6 - When you have been married before Chapter 7 - The down side of life and marriage Chapter 8 - Do you have a temperature? Chapter 9 - Two is a couple three is a crowd Chapter 10 - Till death do us part At the end of each Chapter you will find 7 Points To Ponder. These are things to think about now that you are married, to help you remember, rely, and apply God's Word for a healthy marriage.
