

# Home Selling for the Average Joe: How to sell your home for the right price!

Are you looking to sell your home? This book will help make sure that you get the highest return on your home. As a real estate investor, I share my years of knowledge that I have accumulated from over two dozen home purchases and sales. If you utilize this knowledge, you can avoid some costly mistakes that can reduce the amount you get for your home. Some of these topics include: -How to check your local market -How to decide the right price on your home based on the information you find on your local market -How to hire the best real estate professional to help you -How to sell your home privately, without a real estate agent -How to list your house to stand out from others -How to negotiate and successfully sell your home for the right price.
