

Love Lessons

The classic best seller by the author of *The Pretender* and the *Bone & Cane* novels remains as relevant as ever. Affairs between teachers and pupils are incredibly common, says the author. They're often treated as a joke. But this isn't a funny story. Rachel has a crush on her new English teacher. Mike fancies Rachel too. Neither plans to do anything about it. Then a school play brings them closer together. *Really Close*. *Romeo and Juliet* is a very romantic play, but this is real life. The star-crossed lovers are constantly afraid of discovery, of losing everything. What began as a schoolgirl fantasy has turned into an X-rated nightmare. A bold and powerful tale -- David Almond A brave novel... a thoughtful study of young love. *Books for Keeps* This latest edition of David Belbin's classic, gripping novel has a new afterword about the writing of the novel and its reception.
