

Dark Tower: The Gunslinger Born

Collects Dark Tower: Gunslinger Born (2007) #1-7. The man in black fled across the desert, and the gunslinger followed. With those words, millions of readers were introduced to Stephen Kings Roland - an implacable gunslinger in search of the enigmatic Dark Tower, powering his way through a dangerous land filled with ancient technology and deadly magic. Now, in a comic book personally overseen by King himself, Rolands past is revealed! Sumptuously drawn by Jae Lee and Richard Isanove, adapted by long-time Stephen King expert Robin Furth (author of Stephen Kings The Dark Tower: A Concordance) and scripted by New York Times Bestseller Peter David, this series delves in depth into Rolands origins - the perfect introduction to this incredibly realized world; while long-time fans will thrill to adventures merely hinted at in the novels. Be there for the very beginning of a modern classic of fantasy literature!
