

# Death Stream: Akushon Run (mini) (Chapter 1: Enter The Oni)

This story is about a 14 year old adolescent (Haichi, Takeshi), who was born half human and half oni (father was human and mother was a Oni). His parents mysteriously had vanished at the age of eight and was assumed to be dead, but is now living with his uncle (Haichi, Tenma). With his bad temper and unstable demon outburst, Takeshi is being trained in martial arts by his uncle to help try and contain his uncontrollable powers. The world that Takeshi lives in is infested with paranormal creatures, due to the cause of his grandfather (Toragashi, Jin), whos a full blooded demon also known as the King of Oni. The war between Onis and Humans has been going on for over 200 years and it looks as though that the Onis has been winning. Three individuals, who calls themselves Demon Watchers comes in search of Takeshi to ask to take his rightful place as being the guardian in the land of the humans. In return, they would show him how to gain control over his abilities, how to fully use them, and also tell him what originally happened to his parents. On his journey with becoming the guardian of the human world, Takeshi will encounter many obstacles such as ridding the world of evil, facing his grandfather who caused the war, and also how to gain control over his demon abilities.
