

Happy Birthday : Cheerful Wishes, Warm Thoughts, and Delightful Recipes That Celebrate Your Special Day

In *Happy Birthday*, Barbara Milo Ohrbach, best-selling author of *The Scented Room* and *A Token of Friendship*, celebrates the day that has a very special meaning for us all. Here are cheerful wishes and warm thoughts -- from Will Rogers and Helen Hayes to Jack Benny and Edith Wharton -- that express the various feelings many of us have about the marking of one more year. Also included in this unique little birthday gift book are favorite poems; the official birthstone, flower, color, and astrological sign for each month; and easy recipes for frosted birthday cakes and other irresistible treats such as Quick Party Pizza, Sunshine Cake, and Ice-cream Roll. Age is strictly a case of mind over matter. If you don't mind, it doesn't matter.--Jack Benny We are always the same age inside.--Gertrude Stein It takes a long time to grow young.--Pablo Picasso Wrinkles should merely indicate where smiles have been.--Mark Twain Charminglly illustrated with nostalgic birthday cards that celebrate the occasion, *Happy Birthday* is just the right gift to tie up with ribbons and give to someone on their special day.
