

Building Self-Esteem in Children and Teens Who Are Adopted or Fostered

How do you give your adopted or fostered child the best opportunities to grow up to be happy, healthy and successful? In this accessible book, psychologist and trauma expert Dr. Sue offers simple advice to those supporting children aged 7+. She explains why adopted or fostered children can often experience self-esteem issues, the impact it can have on their lives, and offers everyday strategies to help the child to move beyond their trauma and develop healthy self-esteem. Ideal for foster and adoptive parents as well as professionals supporting children and families, this book reveals the powerful role you can play in your child's well-being.
