

Purification of the Heart: Signs, Symptoms and Cures Af the Spiritual Diseases of the Heart

This present text is based on the poem known as Matharat al-Qulub (literally, Purification of the Hearts), which offers a means by which purification can be achieved. It was written by a great scholar, Shaykh Muhammad Mawlud al-Yaqubi al-Musawi al-Muratani. As his name indicates, he was from Mauritania in West Africa. He was a brilliant scholar who mastered all of the Islamic sciences, including the inward sciences of the soul. The spiritual diseases of the heart addressed in this volume include: miserliness, wantonness, hatred, iniquity, envy, ostentation, vanity, fraud, and more. Imam Mawlud directs his attention to each of these diseases, discusses their causes, and offers cures. His teachings imply that purification is a life-long process, not something that is applied once and then forgotten. Purity of heart never survives a passive relationship. Rather, it requires constant consideration. This book hopes to introduce to readers how that is done.
