

The Accident Season

For fans of *We Were Liars* and *The Ocean at the End of the Lane* comes a haunting, magically realistic debut about a family caught between a violent history, a taboo romance, and the mysteries lurking in their own backyard. Every October Cara and her family become inexplicably and unavoidably accident-prone. Some years it's bad, and some years it's just a lot of cuts and scrapes. This accident season--when Cara, her ex-stepbrother, Sam, and her best friend, Bea, are 17--is going to be a bad one. Cara is about to learn that not all the scars left by the accident season are physical: There's a long-hidden family secret underneath the bumps and bruises. This is the year Cara will finally fall desperately in love, when she'll start discovering the painful truth about the adults in her life, and when she'll uncover the dark origins of the accident season--whether she's ready or not.* Fowley-Doyle's stunning debut novel weaves the temporal and the spiritual into a seamless reality, rich in emotional impact. . . This thought-provoking narrative will cast its spell over older teens and adults alike.--School Library Journal, starred review* Ghosts, secrets, and magic collide in this Irish author's astonishing debut. . . a moving portrait of a fractured family, knitting itself back together with courage and love. A powerful novel from an exciting new talent.--Kirkus, starred review
