

Cry of the Wolf (Avalon Web of Magic Book 3)

Adriane and Stormbringer, the mistwolf, have quite a uniquely close and strong emotional bond of friendship. But is it strong enough to save them when Storm is lured through the portal to Aldenmor, another world much like Earth where magic still thrives? Adriane believes it is, and follows Storm to the magical world. There, Adriane faces the challenge of her life as she confronts Moonshadow, the pack leader and the entire mistwolf pack and tries to bring Storm home. The strange boy she meets, Zach, may be able to help her, but she will need Emily and Karas magic to survive this battle.
