

BOOK OF NEW RULES: For Teens, Singles, Husbands and Wives! (NA)

This book provides teenagers, singles, husbands and wives with rules based on wisdom that is probably as old as the human species and if followed, will dramatically improve the quality of life not only of those who adhered to them but also of others whose lives they touch. It covers specific aspects of male-female relations among teens, singles, husbands and wives, including the all important sexual behavior, and makes an ideal gift for yourself, your spouse, sons and daughters, and friends who are having or may have relationship problems.
