

My Natural Birth Story: The Birthing Book I Wish Id Read

If you're pregnant for the first time, the thought of birthing your child may be rather frightening. You've seen the movies of the women screaming for epidurals. Will that really be what you will go through? Angel Leya decided to share her experiences with pregnancy and childbirth, delivering without the aid of medication. Read her story, along with helpful information and references, to help you prepare for your own birth.
