

A Tale of Two Brothers: Jim Morrison & Michael Hutchence

Rock legends Jim Morrison of The Doors and Michael Hutchence of INXS have given a psychic medium riveting accounts of their controversial deaths and the many myths that surrounded their lives as only they can tell them. Internationally known psychic Kathleen Tucci (<http://www.kathleentucci.com>) recounts Jim Morrison's final hours on earth and reveals the whereabouts of Pamela Courson while Jim lay dying. Famous radio psychic Francine Milano (<http://www.FrancineMilano.com>) channels Pamela Courson who reveals her side of the story to Jim's death and what her life with Jim Morrison was really like. Famous L.A. psychics Linda Salvin and Judy Heavenly have verified the channeling in this book: (<http://www.LindaSalvin.com> and <http://www.Judyheavenly.com>) International Psychic-medium Marjorie Augustine reveals the dark side of Jim Morrison. (<http://www.moonstonemediums.com>) In his channeling to Marjorie, Jim bares his soul to reveal some of his behaviors that are both shocking and regretful. The elaborate cover-up of his death is explored in depth as well as the true identity of his cosmic mate. Jim Morrison discusses his conviction in Miami, the police brutality he experienced behind closed doors in New Haven and Las Vegas and why he actually fled the United States for Paris in 1971. Michael Hutchence reveals the facts surrounding what really happened in Room 524 at the Ritz Carlton, in Double Bay, Australia on November 22nd, 1997. Michael details how he really died and why there was no note left behind. Internationally known psychic Christopher Reburn (<http://www.thepsychicspirit.com>) is the chosen channel for Paula Yates, Michael's last love and Mother of his child. Paula sends messages to her loved ones and reveals her true feelings for Michael

Hutchence and her former husband, Sir Bob Geldof. Michael gives his jaw dropping thoughts on his so-called brothers in INXS and the autobiography they wrote after his death.
