

The Enochian Tarot: A New System of Divination for a New Age (Llewellyns High Magick)

The Enochian Tarot is far more than a book showing you how to use a specific Tarot deck. It is quite literally a complete course in using the Tarot for divination and spirituality combined with the powerful system of Enochian magick. Written by two of the most prolific writers on the Enochian system, Gerald and Betty Schueler, this book crosses into astounding new territory which can literally change your life! This book includes three separate courses for learning how to use the cards. If you have never worked with the Tarot before, start with the two-week training program. If you know more, or if you have completed this course, take the four-week advanced program. Once you complete these, move on to the Master of Tarot course. These training programs outline what you need to practice and learn in order to give excellent Enochian Tarot readings. The actual details are in the rest of the book. This includes a history of both the Tarot and the Enochian magickal system. The spiritual and divinatory meaning of each card is given, as well as ten spreads you can use. Unique to this book are exact instructions on how to become a professional Tarot reader. This takes you step-by-step through the path of working with local and national government agencies so you can start a for-profit or non-profit Tarot reading business. Although designed as a companion to the Enochian Tarot deck (available separately), The Enochian Tarot can enhance your Tarot proficiency, further your understanding of magick and spirituality, and introduce you to, or increase your knowledge of the Enochian system. If you have ever wanted to learn either the Tarot or the Enochian system, this is an excellent introduction. And if you want to enhance your knowledge of either, this book is a must!
