

# How to be six degrees separated

Are you ready to be motivated to find your purpose? In our youths generation there are so many restraints in being unique. Our media outlets have set a strict persona within our society. With bullying being an epidemic in America, it has created low self esteem and lack of aspiration for our youth. For the young adults in the world who were never given the correct guidance in finding their way; or for the college student who is confused as to which direction to take. How to be 6 degrees separated is an easy six step diagram of how to be individually unique. This book will point the steps to take in helping our young nation to find their purpose, build courage and have no care what the next person may think. We are all driven to have a divine purpose for our life and with how to be 6 degrees separated; it will help shape our young nation towards positivity.
