

# Villa Premier Years 1992-2010: A Fans View from a Fan

Looking back over 18 seasons in the Premier League, Aston Villa fanatic Steve Brookes chooses his favourites players and most memorable moments. From Paul Goddard to James Milner, Steve's favourites in Claret and Blue are assessed and rated for their commitment to the cause. Villa began the Premier League era as a team in contention at the top of the table but have yo-yoed up and down the table as finances, managers and star names have come and gone. Now, under Martin O'Neill, they are among a number of clubs poised to breakthrough into the upper echelons at the dawn of a new decade. This book contains Steve's subjective assessment of his favourites, along with profiles of the owners and managers who have presided over affairs at Villa Park. But with a steady partnership of manager and owner at the helm, it seems those troubled times are over.
