

D?N?ANGEL, Vol. 6

Daisuke finally has Riku all to himself...or so he thinks. The only problem is that everybody is getting into his business: his family has been following his every step, his mother wishes her son would just make a move on Riku, and Dark - Daisukes alter ego - is becoming frustrated at the lack of action. With everyone urging Daisuke to take his G-rated relationship to the next level, will he finally confess his love?
