

The Death of Truth: Whats Wrong With Multiculturalism, the Rejection of Reason and the New Postmodern Diversity

Whatever Happened to Truth? America is in the midst of a revolution in thinking that impacts every conceivable aspect of life. Postmodernism, the guiding spirit of our times, teaches that things like reason and rationality are cultural biases, and that truth--especially Gods truth--doesnt exist. A society that forsakes truth believes that All lifestyles, religions, and worldviews are equally valid The only real sin is criticizing someone elses views or moral choices Opinions matter as much as evidence Reality is in the mind of the beholder. Not since Charles Darwin confronted Christians with his doctrine of naturalistic evolution has the church faced a challenge for which it is so ill-prepared. We are witnessing The Death of Truth.
