

## Red News 204

Red News is an unofficial, independent, satirical Manchester United supporters fanzine published throughout the football season, for adults only. Contains profanity, strong language and use. RN was founded in 1987. It has no affiliation with the club bar the fact that we support the football team passionately and attend matches. This is a full inclusive text and reduced graphics package from the September 2013 fanzine Red News 204 - including features, fan opinion, memories, away trip reports, and unofficial thoughts from contributors to Red News. This issue we look at the start of the 2013/14 season, have a Top Reds charter and look at MUFC vs Liverpool Cup games. And much more. The print edition was published first on September 25th 2013.
