

Dashboard Jesus : Distinctive Reminders For Distracted Men: Dashboard Jesus : Distinctive Reminders For Distracted Men

With a cut-to-the-chase writing style, Clay Crosse's book appeals to men of all ages. And readers of his first book (*I Surrender All* with wife Renee) already know Clay's been there and back so he knows what he's talking about. He knows that in spite of a strong faith, it's easy to get distracted, to lose focus on the most important thing in life. Speaking straight to men, Clay pulls no punches: We get distracted. We get hardheaded. We are prideful. We are overly competitive. Overworked. And we can be arrogant and self-centered. Then we also tend to get defeated. We get depressed. We freak out from time to time. And through it all, we are supposed to stay focused on God. *Dashboard Jesus* is enjoyable to read and broken into sections easy for readers to digest. With a forward by Craig Gross, founder of XXXchurch.com, and callouts to emphasize important points, each chapter also has a recap at the end (appropriately called *Dont Forget*). Written with both humor and compassion, *Dashboard Jesus* makes a thoughtful, inspirational gift for any man.
